Why do business with NPI Group?

We understand that overstock is a common challenge for all manufacturers. At NPI Group, we specialize in transforming this challenge into a financial opportunity by purchasing your overstock products and introducing them to a secondary market.

MAXIMIZE REVENUE

We purchase your overstock items, allowing you to recover value

BRAND PROTECTION

We carefully resell products outside your primary market to make sure it does not affect your pricing strategies.

SEAMLESS PROCESS

- We buy all type of quantity
- We move your overstock rapidly and effectively
- We pay you in advance
